AGUIRRE FAMILY*

This memorial website was created to remember our dearest **Adrian Ezequiel Aguirre** who was born in the **United States** on **May 2, 1978** and **Michael James Aguirre** who was born in the **United States** on **February 22, 1982**. My sons were murdered on **June 6, 1998**. You will both live forever in our memories and hearts.

The background of the entire image is a textured, mottled brownish-gold color. In the upper right quadrant, there are two roses rendered in a soft, painterly style. One rose is in full bloom, showing its petals in detail, while the other is a smaller, tighter bud. The overall aesthetic is elegant and romantic.

AGUIRRE FAMILY

Dear Adrian & Mikey, It will be 12 yrs 06-06-10 that your sunshine and smiles left us! Adrian, you would be 32 yrs and Mikey, you would be 28 yrs. I know you would both have your own families! By that I mean that you would be married and have children, which would be my grandchildren! The futures that were robbed from you and the LOSS of you both has never been any easier than the first day that you both have been gone from our LIVES! Only GOD knows how we keep living each day! Family & people do not understand the LOSS of a child much less 2 sons that have been gone from our LIVES! Believe me people soon forget & I understand that their lives have to move forward but we are moving at a much slower pace and still can not be completely healed from your LOSS! It has affected us, Dad, Mom & Matthew, so hard that we have had to deal with much pain & difficulties. I know we should count our BLESSINGS but it will never ever

be the same without you 2, my sons! The criminals that murdered you both are still alive, they have had 12 yrs more than you 2 were able to have with us! I know JUSTICE will be served one day but we will have to wait for that DAY! Family & people still go on with their lives but forget we are still here! I guess they think our LOSS may strike them like an infection! Therefore, we are doing the best we can to continue to live as a FAMILY

without you 2! It is very hard but your MEMORIES are what keep us going each day! We MISS & LOVE you both so so very very much!!! Jim, the heart recipient, called on your birthday! Adrian, he is so grateful for your gift of life as I am sure so many many others are as well! Mikey's donor's we do not know but I am sure they feel the same way!!! The tragedy of your loss was a blessing for so many LIVES!!! I know you two are enjoying being angels and praising our father: GOD, son: Jesus Christ and the Holy Spirit!!! Until we meet again my sons, may GOD be with us all!!! Your family forever, Dad, Mom and Matthew!!!

AGUIRRE FAMILY

HAPPY 32 YRS B'DAY, ADRIAN!!! WE LOVE & MISS U BOTH!!! ONLY GOD KNOWS HOW HE HELPS US CARRY ON WITH OUR LIVES!!! I KNOW IF U WERE HERE WE WOULD CELEBRATE UR B'DAY AS ALWAYS WHEN U WERE HERE WITH US!!! I KNOW U R BOTH AS HAPPY AS EVER SINGING PRAISES TO OUR LORD, JESUS CHRIST!!!

YOUR MOM, DAD & MATTHEW

WE LOVE & MISS U BOTH 4EVER!!! UNTIL WE MEET AGAIN!!!

The background of the entire image is a textured, mottled olive-green or sepia tone. In the upper right quadrant, there are two roses. One is a smaller, tighter bud, and the other is a larger, more open rose with many layers of petals. The roses are rendered in a slightly darker shade of the background color, creating a subtle, artistic effect.

Life Story

every hour, every thought, every smile...

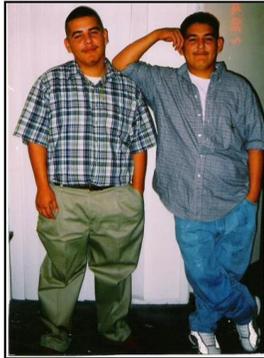

May 2, 1978

Born in on **Adrian May 2, 1978 & Mikey February 22, 1982.**

June 6, 1998

Passed away on **June 6, 1998.**

June 6, 1998

It was a beautiful Saturday evening when Adrian had been invited to a friend's birthday party. Adrian was working with my brother and had just bought him a new car not even 2 weeks before 06-06-98. He had even given me 1/2 of his car payment before it was due. My husband invited Adrian to stay home and wait to enjoy some meat he was going to barbecue. The invitation was tempting but Adrian had a new car sitting outside and the invitation to the birthday party. He asked for a rain check for another day to stay home with us.

Adrian was ready to leave and as usual we gave each other the traditional hug, kiss and I LOVE YOU! We were walking outside when Mikey came running behind us and said he was going with Adrian. Adrian promised to have him home by 10:00 pm. Naturally, Mikey wanted to go along just in case Adrian might let him drive the new car.

It was around 9:00 pm when I received the phone call from Adrian's friend's mother. She was hysterical and was telling me that they were all on the ground. I asked what happened and she said these cars passed by and started shooting. Most of the young men were outside and near the road where the cars passed by. My sons had just arrived and were the closest to the road. 8 young men were shot and my 2 sons were the only ones who died. Adrian was hit in the back of the head by a bullet that ricocheted off a wall. Mikey was shot four times and ran as soon as the shooting started so he bled to death at the scene of the party. The police officer that arrived and spoke to Adrian briefly said that Adrian had asked for Mikey because if

anything happened to him he knew I would be mad. The police officer told Adrian everything was okay and that an ambulance was on the way. Minutes later Adrian was brain dead but at least he thought his brother was okay. At the hospital, tests were performed on Adrian and he was declared brain dead. Adrian had noted on his driver's license that he was an organ donor. He knew I wanted to do the same so he had signed up as well. We donated all of Adrian's organs except the eyes because my husband wanted him to see his way to heaven. Mikey was able to donate the duramatter that covers the brain to help patients with brain cancer or tumors. It was and still is very painful to be without Adrian and Mikey. Matthew keeps us going when the thoughts occur regarding our tragic loss. GOD is good even in times of tragedy because financially we did not know how we were going pay for 2 funerals. A pastor my sister knew came to pray for us and asked us if we had the funeral arrangements prepared. I told him no because of the financial situation and he said not to worry that the church would handle everything!

We keep the communication open between us and the heart recipient. He is doing very well. He is the only one out of all the donor recipients that contacted us. Adrian saved very many lives. A tragedy for us but hope and a future for many lives. Some of the shooters were caught not all. One received the death penalty and is still on death row. 2 received life sentences. 1 received 60 years and another one 45 years. One of their own plea bargained and received 20 years and was out in 3 years. He was only 16 years old at the time. Not all of the shooters were caught but one day there JUDGEMENT will be done on that special day!

These same individuals had been killing and doing these shootings for a while but thank GOD were caught to save pain for other families.

LIFE still goes on and Adrian and Mikey still LIVE on in our hearts and minds with all the memories they left us with! It has now been 11 1/2 years but feels like yesterday and sometimes an eternity.

I am thankful to GOD that I had Adrian for 20 years and Mikey for 16 years but I wish I could have had them outlive me and my husband. Thank GOD we have Matthew! Matthew is now 20 years old. He just had a birthday recently! My husband and I have been married for 32 years and I was told it wouldn't last because of the guilt and anger and blame we would have against each other! But they were wrong and again I repeat myself, GOD is GOOD!

Adrian and Mikey will forever live on in our LIVES!!!

Our Deepest Sympathy
